Together, we are changing kids' health to change the future."

In 2024, Marriott Vacations Worldwide raised more than \$2.6 million for 26 local children's hospitals nationwide that provide life-saving care to children, with each resort's donations supporting their local hospital. Donations raised locally in Central Florida, where Marriott Vacations Worldwide is headquartered, help fund projects like Orlando Health's Children's Pavilion, which will open in 2026 and bring more than 30 pediatric specialty services under one roof.
