Item 8.01. Other Events.

On August 15, 2018, Marriott Vacations Worldwide Corporation (“MVW”) issued a press release to announce the amendment (the “Amendment”) of the previously announced exchange offer (the “Exchange Offer”) for the outstanding 5.625% Senior Notes due 2023 (the “Existing IAC Notes”) of Interval Acquisition Corp., a wholly owned subsidiary of ILG, Inc. (“ILG”), for a combination of new 5.625% Senior Notes due 2023 (the “Exchange Notes”) of Marriott Ownership Resorts, Inc., a wholly owned subsidiary of MVW, and cash. Pursuant to the Amendment, (i) eligible holders whose Existing IAC Notes are validly tendered (and not validly withdrawn) at or prior to the expiration date of the Exchange Offer will be eligible to receive the total exchange consideration for their tendered and accepted Existing IAC Notes, even if such Existing IAC Notes were not tendered prior to the early tender date for the Exchange Offer and (ii) if consents of the holders of a majority of the aggregate principal amount of the Existing IAC Notes outstanding are not received in the related consent solicitation, ILG or one of its subsidiaries will become a co-issuer of the Exchange Notes rather than a guarantor of the Exchange Notes. All other terms and conditions of the Exchange Offer and the related consent solicitation, as described in the confidential offering memorandum and consent solicitation statement dated July 26, 2018, remain unchanged. A copy of the press release is attached to this Current Report as Exhibit 99.1 and is incorporated herein by reference.

No offer of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended, and otherwise in accordance with applicable law.

Forward-looking statements are subject to risks and uncertainties that could cause actual results to differ materially from those discussed in, or implied by, the forward-looking statements. Factors that might cause such a difference include, but are not limited to, general economic conditions, our financial and business prospects, our capital requirements, our financing prospects, our relationships with associates and labor unions, our ability to consummate potential acquisitions or dispositions, our relationships with the holders of licensed marks, and those additional factors disclosed as risks in other reports filed by us with the SEC, including those described in Part I of the MVW’s most recently filed Annual Report on Form 10-K and subsequent reports on Forms 10-Q and 8-K as well as in ILG’s most recently filed Annual Report on Form 10-K and subsequent reports on Forms 10-Q and 8-K and in the joint proxy statement/prospectus included in the registration statement on Form S-4 filed by MVW with the SEC, and any amendments thereto.

Other risks and uncertainties include the timing and likelihood of completion of the proposed transactions between MVW and ILG, including the timing, receipt and terms and conditions of any required governmental and regulatory approvals for the proposed transactions that could reduce anticipated benefits or cause the parties to abandon the transactions; the possibility that MVW's stockholders may not approve the issuance of the MVW shares to be issued in connection with the proposed transactions; the possibility that ILG's stockholders may not approve the proposed transactions; the possibility that the expected synergies and value creation from the proposed transactions will not be realized or will not be realized within the expected time period; the risk that the businesses of MVW and ILG will not be integrated successfully; the potential impact of disruption from the proposed transactions making it more difficult to maintain business and operational relationships; the risk that unexpected costs will be incurred; the ability to retain key personnel; the availability of financing; the possibility that the proposed transactions do not close, including due to the failure to satisfy the closing conditions; as well as more specific risks and uncertainties. **Marriott Vacations Worldwide Amends
 Exchange Offer and Consent Solicitation for IAC Notes**

ORLANDO, Fla. – August 15, 2018 – Marriott Vacations Worldwide Corporation (NYSE: VAC) (“Marriott Vacations Worldwide,” “MVW,” “we,” “us” or “our”) today announced that its wholly owned subsidiary, Marriott Ownership Resorts, Inc. (the “Issuer”), is amending its previously announced offer to exchange (the “Exchange Offer”), and the related consent solicitation (the “Consent Solicitation”) with respect to, any and all of the outstanding \$350.0 million aggregate principal amount of 5.625% Senior Notes due 2023 (the “Existing IAC Notes”) issued by Interval Acquisition Corp. (“IAC”), a wholly owned subsidiary of ILG, Inc. (including any successor, “ILG”), held by Eligible Holders (as defined below) for (i) up to an aggregate principal amount of \$350.0 million of new 5.625% Senior Notes due 2023 (the “Exchange Notes”) to be issued by the Issuer and (ii) cash.

Pursuant to the amendment, (i) Eligible Holders whose Existing IAC Notes are validly tendered (and not validly withdrawn) at or prior to 5:00 p.m., New York City time, on August 30, 2018 (such date and time, as the same may be extended, the “Expiration Date”), will be eligible to receive the “Total Exchange Consideration” (as set forth in the table below) for all such Existing IAC Notes that are accepted for exchange on the “Settlement Date” (which will occur promptly after the Expiration Date), even if such Existing Notes were not tendered prior to 5:00 p.m., New York City time, on August 8, 2018 (the “Early Tender Date”) and (ii) if consents of the holders of a majority of the aggregate principal amount of the Existing IAC Notes outstanding are not received in the Consent Solicitation, ILG or one of its subsidiaries will become a co-issuer of the Exchange Notes rather than a guarantor of the Exchange Notes. All other terms and conditions of the Exchange Offer and Consent Solicitation described in the Offering Memorandum and the related letter of transmittal and consent remain unchanged.

The following table sets forth the Total Exchange Consideration for Existing IAC Notes validly tendered (and not validly withdrawn) and accepted for exchange in the Exchange Offer:

Existing IAC Notes to be Exchanged	CUSIP Number	Aggregate Principal Amount Outstanding	Total Exchange Consideration ⁽¹⁾⁽²⁾
5.625% Senior Notes due 2023	46113V AD 0	\$350,000,000	\$1,000 principal amount of Exchange Notes and \$10 in cash

- (1) Total principal amount of Exchange Notes for each \$1,000 principal amount of Existing IAC Notes tendered. The Exchange Notes will accrue interest from April 15, 2018, the most recent interest payment date on the Existing IAC Notes.
- (2) Cash consideration for each \$1,000 principal amount of Existing IAC Notes tendered and represents the fee payable for holders providing consents.

As of the date hereof, according to D.F. King & Co., Inc., the exchange agent and information agent in connection with the Exchange Offer and Consent Solicitation, less than a majority of the aggregate principal amount of outstanding Existing IAC Notes have been validly tendered (and not validly withdrawn), all of which are expected to be exchanged for Exchange Notes upon the consummation of the Combination Transactions, irrespective of whether the requisite amount of consents in the Consent Solicitation are received (and not validly withdrawn).

The Exchange Offer and Consent Solicitation are being made in connection with the previously announced combination of MVW with ILG (the "Combination Transactions") pursuant to that certain Agreement and Plan of Merger, dated as of April 30, 2018, by and among MVW, ILG and certain of their direct and indirect subsidiaries (the "Merger Agreement"). The parties' obligations to complete the Combination Transactions are subject to the conditions set forth in the Merger Agreement, but the consummation of the Combination Transactions is neither subject to a financing condition nor is it subject to the completion of the Exchange Offer and Consent Solicitation.

Documents relating to the Exchange Offer and Consent Solicitation will only be distributed to holders of Existing IAC Notes who certify that they are (i) "qualified institutional buyers" within the meaning of Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), or (ii) persons outside the United States that are not "U.S. persons" within the meaning of Regulation S under the Securities Act and that are not acquiring the Exchange Notes for the account or benefit of a U.S. person (such holders, "Eligible Holders").

The Exchange Notes may not be offered or sold in the United States or to any U.S. persons except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. The Exchange Notes have not been registered under the Securities Act or the securities laws of any other jurisdiction.

The complete terms and conditions of the Exchange Offer and Consent Solicitation are described in the Offering Memorandum and related letter of transmittal and consent. The Offering Memorandum and related letter of transmittal will only be made available to holders who confirm their status as Eligible Holders. Eligible Holders may obtain copies by contacting D.F.
